

Student Track Program @ Canadian Radiotheranostics Leaders' Summit 2025

June 12 | 9 am - 6 pm & June 13 | 9 am - 12:30 pm

Hilton Hotel, 145 Richmond Street West, Toronto, Ontario M5H 2L2

Connect with prominent national leaders in the Canadian isotope industry during the Student Track Program of this year's Canadian Radiotheranostics Leaders' Summit. Engage with keynote presenters, listen to panel discussions, and learn about exciting career opportunities in the lifesaving field of medical isotopes.

LISTEN & LEARN

- Hear from interesting and knowledgeable speakers during both Summit main stage presentations and student-gear sessions

NETWORKING OPPORTUNITIES

- Engage directly with current leaders in nuclear medicine and the isotope landscape
- Further develop those contacts during Summit networking receptions
