

Student Track Program @ Canadian Radiotheranostics Leaders' Summit 2026

May 25 | 9 am - 6 pm & May 26 | 9 am - 4 pm

Hilton Hotel, 145 Richmond Street West, Toronto, Ontario M5H 2L2

Connect with prominent national leaders in the Canadian isotope industry during the Student Track Program of this year's Canadian Radiotheranostics Leaders' Summit. Engage with keynote presenters, listen to panel discussions, and learn about exciting career opportunities in the lifesaving field of medical isotopes.

LISTEN, LEARN & ENGAGE

- Hear from interesting and knowledgeable speakers during both Summit main stage presentations and student-gear sessions
- Participate in an interactive workshop to position yourself for a strong career in the isotope sector

NETWORKING OPPORTUNITIES

- Engage directly with current leaders in nuclear medicine and the isotope landscape
- Further develop those contacts during Summit networking receptions
